TENNIS

All those interested in tennis are requested to be on hand Wednesday evening, May 7th at 7:00 p.m. in the Recreation Hall. We hope to form a new executive and make plans for the coming season. It will depend upon the enthusiasm shown how much assistance we can ask of the Recreation Committee to keep the courts in first class order. At the meeting we hope to have some films showing the finer points on how tennis should be played as illustrated by two of the best known tennis players of our time, namely Bill Tilden and Don Budge.
