A DANGEROUS PRACTISE

All parents are requested to point out the extreme dangers involved in following around the machine that is used for spraying black flies and mosquitoes. The vapor that is ejected by the machine is not harmful to the children, but if they happen to get hidden by a cloud of this vapor and are unseen by passing vehicles, a very serious or even fatal accident could easily occur.

Don't wait until an accident happens; warn them while you think about it -- do it now!!

SCHOOL ENROLMENT FOR SEPTEMBER

Parents of children entering Kindergarten in September, in either the Public or Separate School, please note:

Enrolment and medical examination will take place in the school on May 21, commencing at 9:30 a.m. A Birth Certificate or Baptismal Certificate is required. Children to be enrolled must be 5 years old by December 31, 1952.

BOWLING ALLEYS CLOSED

Effective immediately, the Bowling Alleys and Snack Bar in the South Camp are closed down until further notice. While the Alleys are closed down, they will receive their usual face lifting for Fall re-opening.

In the meantime, negotiations are underway to make an effort to enlarge on the Snack Bar facilities and have it re-open again shortly. If those plans are completed, it will remain open for the balance of the summer independently of the Alleys. Watch the "News" for further announcements of this plan.

BASEBALL PRACTISE SATURDAY

The first workout of the season for the baseball enthusiasts will be held on Saturday afternoon at 1:30 p.m. on the South Camp Diamond. Don't feel that because you didn't play last year or the year before that there is no spot for you. We're always looking for new players who can take the place of the veterans. It is hoped that we can have some competition with the Lakehead teams this year and in this connection, a couple of delegates will be attending a meeting in the Lakehead this week-end to try to come to some agreement.

You'll have a lot more fun out on the diamond than you will just talking about going out for a work-out and then forgetting to go.
