### FIREWORKS DISPLAY SATURDAY NIGHT

In line with its policy of the past two years, the Recreation Committee will stage a Monster Fireworks Display on Saturday night to help the local citizens observe Dominion Day in the conventional manner. The display is scheduled to get underway at 9:00 p.m. and will be held at Hays Lake so that everyone may have an unrestricted view of the activity. While the actual launching of the Sky Rockets, Ground Mortars, etc., will take place on the far side of Hays Lake (opposite the Swimming Pool) all spectators are requested to take up vantage points at the Swimming Pool itself. This is being done for two reasons: One - as a safety precaution and two - it is hoped that the water surface will enhance the display of the fireworks.
