BOYS' SOFTBALL

An effort is being made to organize the Public School lads into a ball league for the balance of the summer. The boys themselves are ready and willing, all that we need now is some volunteer help from some of the adults to take the teams over and coach and manage them. It is proposed that these games be played at 4 o'clock on certain days at the School Diamond. Maybe some of the boys can convince their dads that this would be a good hobby for them. We have the boys, the equipment and the facilities, all that we're lacking is the man-power to look after these lads. If we have enough response to this plea for help, we'll go ahead with drawing up the schedule, etc., and get a league underway, if not - - -?

Those who wish to help are asked to leave their names in either of the Terrace Bay News boxes or give them to Ossie Dalzell or M. O. Nelson.

SUNDAY NIGHT MOVIES

Under the auspices of the local Kiwanis Club a programme of films will be shown in the Recreation Hall on Sunday night at 8:30 p.m. This programme will feature Canadian talent, industry and a coloured film of beauty spots in the Rockies.

No admission will be charged for these movies but a silver collection will be taken up and be held in the Kiwanis Welfare Fund. It is hoped that a good number of Townsite residents will take advantage of this opportunity and a special invitation is extended to all North Camp residents.

No children under 16 years of age will be admitted to these movies.
