LARGEST CIRCULATION IN TERRACE BAY

July 10, 1952.

COMMUNITY DANCE FRIDAY

ATTENTION LADIES?! Have you been taking advantage of these special Friday night Community Dances? These events are specially planned to fit the pocketbook of the average couple. In case you haven't been paying too much attention to the admission price, it still stands at LADIES FREE----all GENTS----One Buck. Just stop and think about it a little bit---where else in this wide world can you go out and have fun dancing for four hours for One Dollar. Talk to the "other half" about it--if he won't ask you to go, tell him that you can't afford to miss these dances. The music by the "Vagabonds" is fast-improving each time out. The doors open at 10:00 p.m. and the "Home Waltz" is played at 2:00 a.m.

For a recommendation on the quality of these events, just ask anyone who has attended in the past.

FIRES COST JOBS AND LIVES

NOTICE RE POST OFFICE BOX KEYS

"It has come to my attention that several Post Office Box keys are being lost due to irresponsible children having free use of same. This is a very serious situation indeed as it means that when these keys are found, unauthorized persons have access to the mail boxes. If the condition continues, there is a strong possibility that the present Box Service might be withdrawn. The co-operation of all adults on this matter will be sincerely appreciated."

W.E. Cavanaugh,
Postmaster.

WORK PARTY TONIGHT!

A supply of topsoil has been dumped at the front of the Community Church ready to be spread for landscaping. A good turnout of men(with shovels) is anticipated. Action will start at 6:30 p.m. Herb Crisson will direct the operations in his usual efficient manner. Don't use the excuse that you couldn't find a shovel--there will be some on hand for you to borrow for the evening's work.

SWIMMING POOL SPLASHES

The children's swimming programme is off to a grand start with over eighty registered for classes. The adult's class remains quite small however. In order that as many adults as possible may avail themselves of this good opportunity to learn to swim, provision will be made for those interested to place their names on a list at the Mill Time Clocks.
