SWIMMING POOL SPLASHES

The fellows and girls who have been taking swimming lessons for the past two weeks have been making rapid progress. Those who have passed tests so far are: Caroline Tompson who has passed her Tadpole and Minnow tests; Brenda MacDonald, Dorothy MacDonald, Sandra McInnes, Rosalind Savoy, Marlene Jessop, Gale Cotten and Valerie McDonald who have passed their Tadpole tests.

As the weather becomes better we hope to see more people making use of the swimming pool. Mill workers should register for swimming lessons by leaving their names on the list by the Time Clocks.

LADIES SOFTBALL

Last Sunday the local ladies journeyed to the Lakehead to take on the highly-touted Port Arthur Rockettes for two games. In the first game the local gals were leading for a few innings until one bad inning cost them the game by a score of 6-2.

In the nightcap, the Rockettes used their fireball pitcher and were able to defeat our squad by a score of 6-2.

All in all, a most creditable performance was put up by our team and the ladies are to be congratulated on the good showing they put up.

At the time of going to press, negotiations are underway to have Rockettes come to Terrace Bay this Sunday, the 20th, but definite word will not be received until late today.
