FISH DERBY SUNDAY

Sunday's the big day folks! All that you have to do is go over to Terrace Motors Garage on Sunday any time between 7 AM and 8 PM and register for the Derby, go out into Lake Superior and catch yourself a nice big fish, then go back to the Garage for weighing-in between 5:00 and 8 PM (that will be done by Lester Legault) and get ready to take home the grand prize of \$200.00 cash, or any one of the many valuable prizes being offered. Included in these, is a special prize of 1 ton of coal or 100 gallons of fuel oil, donated by North Shore Fuel Supply to be awarded to a Terrace Bay citizen only.

The grand prize of \$200.00 is in place of the "Goshawk" boat originally advertised. This change has been made necessary due to a serious fire at the factory of the manufacturer.

As a build-up to this big Derby, the local Fish and Game Club are sponsoring their 2nd Annual Sportsmen's Dance on Friday, August 22nd at the Recreation Hall. Dancing will be from 10 PM till 2 AM to the music of Adamo's Orchestra. Tickets will be \$1.50 per couple - \$1.00 single. A feature attraction of the evening will be the drawing of a Door Prize that will be a Peterborough Boat with a 7.5 Evinrude motor. You can't afford to miss this event of the season.

SWIMMING MEET ON SATURDAY

Starting at 1:30 PM SHARP on Saturday afternoon, the 3rd Annual Swimming Meet will get underway at the Pool. A complete list of events is available at the Pool for those who are interested in entering. There will be plenty of opportunity for the youngsters who are able and willing to put their best foot forward in the events that have been scheduled. In addition to a full schedule of events for our Junior Swimmers, a few events are included for the adults, one of these being the swim across Hays Lake. There will also be a Diving Exhibition and a Life Saving Demonstration with a Clowning Act thrown in for good measure.

All of this, of course, is dependent on the weather-man giving us a half-decent break in the weather. In case of rain or cold weather, the events will be held on Sunday, same time, same place.

BOWLING ALLEY RE-OPEN MONDAY

Now that the Alleys have had a complete face-lifting job done on them and the evenings are becoming shorter and cooler, it's a good time to be thinking about getting in shape for that popular winter pastime of Bowling. Starting this coming Monday, until the end of the month, the Alleys will be open evenings only from 7 till 11 PM Monday through Saturday. Leon will be back in his favourite spot to take care of your needs at the alleys.

In the meantime, a call is sent out to all of those young lads who wish to set pins this season, to get in touch with Leon at the very earliest opportunity.
