

EXODUS TO MARATHON

The kids who went to Marathon to swim last week-end must have returned with a lot of glowing reports about the weather or something down there, because this week-end under the sponsorship of the Recreation Committee, close to 40 people are making the trip down there for various reasons. The Ladies Softball team are going down for a return game and our Men's Baseball team are also going down for the same reason. Our Tennis Club are taking a team down to take on the best that they have to offer there.

Good luck to all of you!

AROUND THE BASE PATHS

The playoffs are now well underway and according to the majority of comments overheard, the fans are enjoying the fine brand of ball being displayed.

Last Thursday, Salaried tied up the 2 out of 3 series with Structural by the score of 5-3. Both pitchers, Rapke and Adrian pitched fine ball but Salaried managed to maintain their margin through Structural errors, several bases on balls and their own air-tight defence. However, Sunday afternoon Structural showed why they were first in the Day Section at the end of the season by taking the rubber contest by the score of 3-1. Adrian pitched a 5-hitter and the team played errorless ball behind him. Rapke was splendid for a losing cause allowing only 7 hits and driving in his team's only counter.

Tuesday evening, the 3 out of 5 finals got underway between Structural and Shift #1. Structural were favourites at game time on the strength of the fine pitching displayed by Adrian in his last few games. For the first three innings each pitcher allowed only 1 hit and nary a run. In the 4th inning, aided by a Structural error, Shift #1 were able to garner 1 run and in the 5th inning, Peter Diduch clouted a home run to drive in 3 runs for Shift #1. Whitfield pitched a fine game allowing only 3 hits and at no time was he in serious trouble. The second game of this series will be played to-night, August 21st, with future game dates to be announced over the P.A. system at tonight's game.
