LEAGUE BOWLING STARTS NEXT WEEK

Last Monday evening Terrace Bay bowlers held a meeting to make plans for this year. The four leagues (Men's 5-pin, Ladies 5-pin, Mixed 5-pin and 10-pin) were represented and it was decided to form a combined bowling association to include all leagues. The officers of the Association will consist of president, vice-president and secretary treasurer and the executive will consist of the secretary-treasurer of each separate league. Officers for the year are Al Lindskoog - President, Peter Mazza - Vice-President and Lois Windle - Secretary - Treasurer. The Sec.-Treas. of each league will be elected in separate league organizational meetings next week.

Each league will function as a separate unit electing a Sec.-Treas. to head the league, keep track of prize money and averages and to represent the league on the main association executive. Each league will decide on their own schedule, prize money and distribution, scoring etc. The captains of the various teams in each league will act as a league executive and meet with the Sec.-Treas. to handle the leagues affairs. Trophies or prizes needed for the various competitions should be decided on and these requests should be transmitted to the main bowling association through the league's Sec.-Treas.

A new type of schedule was proposed at the main meeting for each league to consider, namely: That the schedule be divided into two separate and distinct parts. One part would run from September to December and the second from January to April. Each section would be a complete unit with any prize monies being divided at the end and the second section being entirely separate, even starting with new or different teams if desired.
