MIXED 10-PIN BOWLERS

The bowling executive has had some inquiries lately regarding the formation of a mixed 10-pin league. It is suggested that a team consist of two couples (2 men & 2 women) and that the league bowl on Saturday afternoon or Sunday, either every week or every other week. Thursday and Friday evenings are also open. It will take a minimum of 4 teams (8 couples) to start this league and if any persons are interested they are asked to leave their name or names and the day they would like to bowl at the bowling alley with Leon.
