TEN PIN CHATTER

Down at Leon's last night, Bob Shirriff's scratch score of an even "500" enabled him and his team-mates, the "Overheads" to gain the top berth by taking 4 points with their Power Packed team from those struggling Bears. Willy Adamo's 492 and Paul Malashevski's 489 scratch scores were the second and third high 3 games for the night but were no match for Chopty's "Firebugs" who came through handsomely in their second and third games to take 3 points for the evening from the Royals and gain second position for a three way tie with the Warehouse and Engineers teams.

Team Standings to Date:

Overheads	6
Firebugs	5
Warehouse	5
Engineers	5
Shift #1	4
Royals	3
Bears	2

BADMINTON NEWS

Bird season, for hunters that is, opened on Saturday but the Badminton Club jumped the gun three days early. But just as many birds were shot at and missed by hunters, even more birds, Badminton that is, were swung at and missed by players. Let's hope eye and aim improve for both hunter and player.

Don't forget that the dues this season are \$3.00 per person and \$4.50 per man and wife (we're not certain that a man is a person). And especially don't forget that the aforesaid dues are due by the second week of October.

RHYME AND REASON

It isn't the number of guards put on,
Or the stairs with well kept rails,
It isn't the light that they install,
Or the lack of rusty nails,
It's true that these all help a bit,
But when all's been done and said,
The thing that prevents the accident,
Is the way you use your head.
