

MIXED LEAGUE BOWLING

Even though most thoughts were on the big dance some good scores were rolled Tuesday night. J. Todd, making his first appearance of the season, gave evidence of what can be expected of him this season by taking the high single with a 275 and added to this 195 & 226 for a total of 696, which, by the way, was the only score over 600. Tyros are still rolling and have taken the high single with 914 & high 3 with a 2539 for the week. D. Felton came through with a helpful 56 to help the Rockets take 4 points. Other good scores are J. Campbell 205, J. Hachey 213, B. Broome 202, 215, A. Roussel 231, A. Chisholm 215, R. Jones 217, D. Ollen-Bittle 234, S. Jakobson 235 and R. Hales 242.

MEN'S LEAGUE BOWLING

Mazza's White Collars are still in there punching and lead the league by a small margin. Bill Louk is still smashing them to take the high triple with scores of 196, 283, & 266 for a 745 total. D. Harris, that handsome fellow at the Bay, rolled a nice 293 to take the high single, not only for the night but for the league to date. However, his big 90 in the third game wasn't good enough to beat W. Richardson's 75 for the honour score. Better luck next time, Doug. The Snow Banks came through with a 1036 single and with this a 961 & 1022 for a 3019 triple to top the league for high score in each for the season to date. Other good scores rolled are G. TEN PIN CHATTER

The Engineers have now gained undisputed possession of 1st place, and this was accomplished by taking the Sunday-Punchless Bears, (Cubs to their intimates) into camp to the tune of 4 points. This is the 3rd week in a row that the Power-Laden Engineers have made a clean sweep.

Howard Solly's scratch score of 534 was the Warehousemen's Big Gun last night. However, he was no match for Borsum's 560, and these two teams battled to a draw to split their respective points with 2 apiece by a total difference of 23 pins.

Big Joe Ruzyski marked up an even 500 to aid his team in taking 3 points from their opponents the B B's.

Other handsome games for the evening were: Leon Checkryn 487, Len Pineault 463, C. Buck 475, Malashewski 438, John Maurstad 429, Rune Ostling 456, Tom Williscroft 457, Don Boudreau 448, Al Lindskoog 442.

We take this opportunity to remind all Team Captains that the closing date for entry fees is October 15th. All Team Captains are asked to canvass their individual team members and collect the required fee of \$1.00. At this writing, two of the eight teams in this league have come forth with their entree fees.
