HOME & SCHOOL ASSOCIATION

The October meeting of the Home and School Association was held in the Public School Monday evening, the 20th.

Mrs. Lois Hopper was speaker for the meeting and enlightened her audience considerably on the life and paintings of the Canadian artist, Tom Thompson, one of the "Group of Seven" who first depicted Canada as Canada really is. It was regrettable the film "Westwind" did not arrive in time for the meeting, but it was suggested that it be requested for the coming month. Mr. Dave Locking concluded the program with a very lively game of "Gossip".

Mrs. Kay Holancin and her committee served luncheon during the social hour.

A WORD TO THE WISE

Now that our winter season is close at hand and we will be planning all kinds of activities and using a lot of decorations of various types for our parties, etc., we should be wise and use only such paper decorations that are fire-resistant for our homes and public halls. Keep all decorations 8 feet from floor level, do not use paper streamers across a room or hall, or around or over electric lights. - "A word to the wise"
