D. TOPPING SETS NEW RECORD

D. Topping of the Hydro team pulled off one of those scores you dream about but never see. After rolling 2 games of 119 each he turned around and did it in the 3rd just to show it could be done. Going into the tenth frame Dave had a total of 113. With his first ball he cut off the 3 and 2 and threw the 2nd ball in the same place then with his last ball took off the counter to give him 6 for the 3rd 119 game.

Bill Louk led the Snowbanks to high single of 1069 and high triple of 2859 with his high game of 322. Just to keep things in the family he added games of 201 and 181 for the high triple of 704.
