This may be your turn for a fat, luscious bird so plan to attend this big event. Details later.

St. Martin's Choir:

In order that the Choir may be assured of an extended period for practice together, it has been decided to make November 30th the deadline for new members. Anyone, therefore, wishing to sing in the Choir should make every effort to come out for practice on Sunday evening, November 23rd, immediately following Benediction. Plans call for a High Mass to be sung each Sunday commencing November 30th and in addition a lot of practicing is required for the Xmas Eve Mass.

FIRE PREVENTION

Fire Prevention Week, October 5th to 11th, has passed, but look at the record - 35 dead from fires, men, women and children all over Ontario. Did we learn anything from fire prevention week and fire prevention week is only a few days passed. We can stop this awful waste of life if everyone would be careful of fire every minute of the day or night. Stop fire and save lives. A good New Year's resolution would be "Fire Free for '53".
