

MIXED FIVE PIN BOWLING

With Tyros only managing to capture 2 points this week, the race for first place and the series prize money tightened up. The Beavers and Pin Dusters took 3 points and moved into a three-way tie with the Rockets for second position.

BILL BORSUM & JAN FAUST ROCK THE PINS IN MIXED 10-PIN LEAGUE

The second week of the mixed 10-pin league is in full swing and although the rest of the men seemed to be distracted by the trim ankles in the next alley, Bill Borsum kept his eyes where they belonged and rounded out a solid 544 including a 210 game. And just to show the world that it doesn't take all muscles and brawn in this old 10 pin game, paper weight Jan Faust showed that she doesn't take a back seat to any man as she knocked out a tidy 403 series on a high game of 158.

Pete Diduch had the top single effort of the night on a neat 211. Other good scores were the 148 posted by Olyve Harrison for the women and Joe Shubaly's 187 and Leon Checkryn's 197 for the men.

The Firettes snagged 3 points from the Superiors in spite of the top efforts on the latter team and the Badgers whumped the Royalettes to the tune of 3 to 1.

Standings

Firettes	6	Superiors	4
Badgers	4	Royalettes	2

Anyone requiring further information on this matter is requested to read the pamphlet on the notice board by the Time Clocks or contact Ossie Dalzell direct.

No charge is made for this clinic, but all interested parties would be required to pay their own travelling expenses. We must have the names of all persons intending to attend.
