

WOMEN'S CURLING

All women who are interested in curling this year are requested to complete the following application form and return to either Ida Romaniuk in the Hudson's Bay Grocery Dept., Betty Jessop at Jessop's or to Irene Edmond as soon as possible.

We are planning to start the season off with a Novelty Bonspiel as soon as ice is available. This is to give beginners an opportunity to see what the game is all about so that if they decide not to curl they can drop out without having to pay the full membership fee or upsetting the schedule after it is drawn up for the remainder of the season. An entry fee of \$1.00 per person will be charged for this bonspiel and the money collected will be used to buy prizes.

The first half of Wednesday evening and all of Thursday evening have been allotted to the Ladies Club and in addition to this, if there are enough people interested in having afternoon curling, a separate schedule will be set up for Wednesday afternoons. Membership will be \$5.00 for either of these groups and \$6.00 for both.

Extra copies of application blanks can be picked up from any of the above named people.

PUBLIC LIBRARY

One of our more popular Townsite facilities that goes along operating smoothly and efficiently, but never in the limelight, doing an excellent job of serving our townspeople, is our Public Library. Organized late in 1949 to care for our literary needs, the Library is operated under the control of the Improvement District Trustees who are also the members of the Public Library Board. Set up, to assist the Board, is an Advisory Committee, composed of voluntary members, whose biggest job is that of seeing that the proper type of literature finds its way onto the shelves at the Library. In 1951, Mrs. J. O. Shaunessy was Chairman of the Committee, ably assisted by Eleanor Pearson as Secretary along with Rev. A. F. Lavender, Pat Dooling and Joe Heenan as Executive members. Serving on the 1952 Committee, are Joe Heenan as Chairman, Eleanor Pearson again as Secretary and Pat Dooling and John Wade as members. H. C. Laundry represents the Imp. Dist. Trustees on this Committee as an ex-officio member. Librarian's duties are in the very capable hands of Mrs. Ellen Hodgkiss.

Each year a budget is set-up to care for the year's needs. This budget is carefully administered and the funds to operate it come in the form of grants from both the Imp. District Board of Trustees and the Provincial Government, to which are added the fines collected from borrowers on overdue books.

A great amount of credit must be given to these individuals who serve on this Committee and do such a grand job of catering to our needs.
