

TEN PIN CHATTER

Two of the more startling upsets of the current bowling season took place last night at our local alleys. The Mighty First Place Engineers were handed a 3 - 1 defeat at the hands of the League Trailing Bears. Joe Heenan, the Bears sturdy Anchor-Man, rolled the 3 top games of this match with scores of 160, 157 and 129 for 446. Ray Stachiw, the new Rookie on the Bears Roster, showed fine form with his games of 155, 154 and 115 for 424 for three. Al Lindskoog, Captain of the Engineers, rolled his team's highest games of the night, and his scores of 156, 137 and 133 for 426 for 3 aided his boys in garnering their lone talley. Verl Thompson's with-handicap score of 497 for 3 assisted his team mates in their efforts.

The second upset took place when the Over-Heads snagged a firm grip on 2nd place position by shellacing their opponents the Warehouse to the tune of 3 - 1. The Over-Heads third game scratch score of 850 puts them in top place for this prize. Borsum's 517, Porter's 466, Rowlandson's 447 and Olsen's 424 proved too much for the Warehouse. Solly's games of 159, 127 and 126 for 412, along with Swirhun's 126, 143 and 125 were the only other favourable marks of this encounter.

Frank Sechesky's B B's have a firm grip on 4th place as they humbled Chopty's Firebugs 3 - 1. Sechesky's 447, Smilsky's 432 and Whitley's 403 scratch scores were the undoing of the Firebugs. Nick Chopty supported his team with his scores of 160, 131 and 138. Niemi, with 416 for three made it a close third game contest.

Whitfield's Shift #1 boys in their encounter with Checkryn's Royals split their 1st and 2nd games and then went ahead to tie the third game with 877 with handicap. This tie will be rolled off in the first frame of next week's match. In the meantime, half points have been shown in the standing. Checkryn's games of 192, 126 and 201 show that the Olde Maestro has not lost his touch, as his 519 scratch three proves to be the highest series of the evening. Malashewski's 474 and Adamo's 419 assisted their captain. Calvin of the Shift #1 gang showed the way on his team with games of 185, 130 and 141. Peter Diduch's games of 141, 132, and 181 for 454 enabled Whitfield's men to take total pin count and a total of  $2\frac{1}{2}$  points for their night's work.

Standings to Date:

Engineers	29	Warehouse	21
Overheads	25	Royals	$20\frac{1}{2}$
Firebugs	23	Shift #1	$19\frac{1}{2}$
B B's	22	Bears	16

HOME AND SCHOOL ASSOCIATION

A meeting of the Home and School Association was held in the Public School Monday evening, November 17th, with Malcolm Craig presiding in the chair. Mr. Craig announced the Finance Committee had planned for a Bake Sale to be held November 29th, 2:30 p.m. at Bucovetsky's Store. All parents will be canvassed prior to this sale, regardless of affiliation with the Home and School Association. Mrs. J. Duncan will convene the Bake Sale.

A record number of parents turned out to hear an address by Mr. Ken Hutchinson, entitled "Trends in Education". Due to Mr. Hutchinson's presence being required at another meeting, this opportunity was taken to demonstrate a tape recorder on loan to the schools. Following the recording of Mr. Hutchinson's speech, the recorder was demonstrated further by a recording of the ensuing business discussion, which was later played back.

Mrs. John Wade concluded the program with a song quiz, followed by a social hour and tea served by Mrs. Kay Holancin and her committee.

Mrs. C. Smith's room, Grade one, won the Home & School Parents Attendance Shield for November.
