FESTIVE SEASON EVENTS

Once again this year the local students will stage a Christmas Concert. The date has been set for Thursday, December 18th, and at present the students are putting lots of effort and enthusiasm into their production to make this the best concert yet. They are under the direction of Miss McAdam, music teacher, and from what we hear we are in for a real musical treat.

On Friday, December 19th, the local High School Students' Council will hold their Christmas Dance. If advance plans are any indication, a gala time will be had by all.

The Annual Children's Christmas Party will be held on Saturday, December 20th, the feature of which will be Santa's yearly visit with a carload of gifts. Final details are not yet completed but will be published in next week's "News".
