CURLING NEWS

NEW YEAR'S EVE DANCE

Well folks, the Committee running the New Year's Eve Dance tell us that some of you have been asking when Reservations will be accepted....and they have decided that it's none too soon to get the ball rolling on that subject.

Commencing Monday, December 15th you may phone in, or give in person your reservation for a table to the following:

Gertie Bougie - First Aid
Olyve Harrison - Personnel Dept.
Doug Harris - Hudson's Bay Company

A word to the wise - don't delay in getting your party together as it's first come, first served and as you all know, reservations will be limited. Another thing, make your party as large as you can as the choice locations in the hall (and you know where they are) will be given to parties of 8 and upwards.

To the newcomers to our fair community, we want you to know that although the Curling Club sponsors the New Year's Eve Dance each year, it is not strictly for Curlers. All people of the Area are invited and are most welcome - even Curlers.-

Correction of item in last week's News -

Last week we reported that the teams who participated in the Port Arthur Curling Rink opening won 1 game out of 3. They actually played 4 games and won 2 of those. Obviously the writer was "out" for that 4th game. Our apologies.
