LARGEST CIRCULATION IN TERRACE BAY

January 8, 1953.

HOCKEY TONIGHT

The Terrace Bay "Superiors" make their second appearance of the season at the Schreiber Arena tonight when they take on the high-flying Nipigon "Flyers". In their initial outing last Saturday night against Schreiber "Deisels", the local lads went down by a score of 7 - 4. This score, however, was not a true indication of the calibre of the game as the Superiors were within one goal of tying up the game in the 3rd period when the pressure of shortage of manpower caught up with them. It is to be hoped that this won't occur again tonight as we have acquired sufficient number of players to ice a full team. In addition to showing a couple of new faces tonight, the team will feature a new Coach; Frank "Boomer" Fummerton, well-known to local hockey fans as coach of the Schreiber team for the past few seasons has taken over the reins from Jim Cumming who has resigned from that position. Including tonight's game, the team will go through the acid test of playing four games in the next six days.

In other games played in the League to date, Geraldton took Marathon into camp 6-1 on Saturday night but Marathon came back to win by a score of 9-8 on Sunday; on Tuesday night Nipigon defeated Schreiber to the tune of 8 to 2.

Any of the Terrace Bay supporters who wish to travel down to Marathon for either of the games to be played there this coming Saturday and Sunday are requested to contact Ossie Dalzell before 5 PM on Friday if they wish to take advantage of the cheap railroad fare.

Tonight's game is scheduled to get underway at 8:30 PM SHARP.

CONGRATULATIONS

The following exchange of telegrams will undoubtedly be of interest to every LongLac employee:

Cornwall, Ont.
December 30/52
