

TEN PIN CHATTER

Pattison's Bears have strengthened their hold on first place by trouncing the Shift #1 boys 4 to 0. Ray Stachiw was once again the Bears' big gun with his hi series of the night of 165, 204, 189 for 558. Weppler aided the cause with his games of 150, 162, 146 (458) while Veitch's third game of 163, Dalzell's 1st game of 155 and Capt. Pattison's 2nd game of 173 proved too much for the Shift 1 gang. Garry Galvin led the way for the Shifters with his handy games of 140, 163 and 131 (434). Pete Diduch's first game of 153 along with Whitfield's last game tally of 143 were the best efforts of the set.

Marsh's Warehousemen are hot on the heels of the Bears as their 3 to 1 victory over the Firebugs puts them 3 points down in second spot along with the Royals. Graham led the way with 129, 175, 151 (455) while Teddy Stachiw showed fine form with 169, 139 144 (452). Chopty paced his team-mates with 156, 140, 155 (451), while St. Louis found the range for 129, 156, 151 (436). Joe Ruzyski's first game of 172 enabled his team-mates to sweep the first game and their lone tally of the series.

Checkryn's Royals trounced the once powerful Engineers 3 to 1 in one of the quietest contests of the present series. This win places the Royals in a two-way tie for 2nd spot with the Warehousemen and leaves the last series winning Engineers in undisputed possession of last place in the current run-off. Hack Freeman paced the Royals with his stellar performance of 167, 185, 150 (502.) Willy Adamo came through with 155, 150, 164 (469), while Leon's 444, Johnnie Louk's 438 and Coupal's even 400 proved too much for the Engineers. Lindskoog paced his men with 179, 139, 169 (487). Don Boudreau found the range for 160, 163, 134 (457), while Bill Louk's 442, Gombola's 416, and Wig's 404 made it a contest all the way.

The Overheads trounced the B B's 3 to 1 in a contest that found Bob Shirriff leading the way with 131, 182, 188 (501). Rowley's third game of 159, Olsen's 2nd string of 172, Rowlandson's first and last tallies of 146 and 151, along with Faust's 3rd set of 169, set back the B B's. Sechesky fought all the way as his games of 148, 138, 191 (477) indicate. Conway's 148, Todd's 154, with Doug Harris's 150 were the only mentionable marks as Frank's boys bowed to the Overheads.

MEN'S FIVE PIN LEAGUE

The Hydro boys are still in there pitching and picked up 4 points from the Rat Portage team. Not to be outdone, the Whiz-Bangs took 4 points from Steam who have been slipping lately. Barber Greenes and Mazza were a bit more sociable and split points for the evening. Snow-banks won from the Cats by default. There were some very good scores rolled this week. Hydro beat every high score they had rolled previously this season. The SnowBanks as a going away present for their Captain Jock MacCall, rolled the hi single 1061 and high triple 2972 for this week. Jock is away for the northland (Kapuskasings) and will be missed around the alleys as well as another Capt. who is leaving our midst, namely Larry Folino. To both of you we wish the best. Some one must have given Peter Mazza a shot in the arm or something, for he has sure been rolling this last while. Peter rolled a 312 for hi single and added 224 and 256 for high triple of 792 which is just 7 pins short of P. Diduch's 799. Nice going, Peter. Other good scores for the night are L. Belliveau 200, 239 (616), L. Crandlemire 202, D. Hall 238, B. Browning 270, 238 (646), L. White 234, L. Dejonghe 235, 218, J. (Grandpa) Maurstad 251, G. Burns 219, Cairns 202, W. Adamo 253, 208, J.
