

"PALEFACES STILL CHAMPS"

Last night at the Schreiber Arena the annual hockey classic between the "Palefaces" (office staff and a few outside friends) and the "Lunch Pails" (Maintenance, Structural, Services - in fact nearly the whole mill) took place to determine the winner of the S.H. Memorial Trophy. This was the third annual renewal of this "struggle" for hockey supremacy and the "Palefaces" led by Coach Dave "Screamer" McDonald maintained their undefeated record when they downed the "Lunchpails" led by Coach Johnny "Rheumatic" Gross. The score ?? 5 - 1.

"Clipper" Kulcheski rammed the first one home on a screened pass from "Beaker" Rowley and shortly after "Meat" Campbell fired a blazer for the second one on a rinkwide pass from "10%" Marostica.

The second period was well past the middle mark when "Shorty" Hunt scored on a pass-out from "Meat" Campbell. It was at this point that "Eagle Eye" Falzetta became known as "Eagle Beak". Just about the close of this period "Haywire" Marquis picked up a loose puck in behind his own net, raced along the left boards, shifted neatly to the right boards and then split the defence only to fall flat on his face just when he had "Shyster" Jeanneret at his mercy. It was a close call.

The third period opened on a furious race and at the 6:50 mark "10%" Marostica circled left defence and passed to "Curly" Ross who made no mistake with his bullet drive. Four minutes later "Panda" Zwaresh shattered the "Palefaces" shutout kid when he combined with "Hammerhead" Sernesky on a neat passing play to rifle one past "Shyster" Jeanneret that he absolutely had no chance on. Scoring for the night was completed with about a minute to go when "Curly" Ross and "10%" Marostica combined on a rushing attack with "Curly" again doing the honors.

For the "Lunch Pails" stars were "Snips" Allen and "Fire-Ball" Fedun with their consisted back-checking while "High-Ball" Mikus, "Captain" Kydd and "Flash" Parent were a joy to watch on defence.

It was difficult to choose the stars on the "Palefaces" but special mention should be made of "D.P." Brady and "Playboy" Pattison. They were a tower of strength in front of Jeanneret.

COMMUNITY SAFETY PARTY AND CHILDREN'S SHOW

One important change should be recorded. In order to accommodate the Kiwanis Annual Winter Carnival, the Children's Show, planned for Saturday afternoon, February 21st, has been moved to Saturday morning at 9:30 a.m. A technicolour film "The Wild North" will be shown and every youngster will get a free box of popcorn.

Some 20 good prizes will be drawn for at the Safety Dance scheduled from 10 p.m. to 2 a.m. on February 20th. Included are such items as table lamps, end table, Ronson lighters, electric clocks, pen and pencil sets, carving set, steak knives, etc. Through the courtesy of Hudson's Bay Company, the items will be on display at "The Bay" from Monday next through Friday. There will be two draws at 11 p.m. and 1 a.m. All LongLac employees are eligible but it will not be necessary to be at the dance to get a prize.

The dance, first major event in the High School Auditorium following its official opening, will feature music by the "Northern Knights" augmented by a number of local youths who are really coming along well with their instruments.

No invitations to either the dance or the show are being sent out. Everyone who works or lives at Terrace Bay is cordially invited to the dance, and their youngsters will be most welcome at the show.
