"The Magic of Believing" by Claude M. Bristol. Whether you want an increased income, a new home, a better job, a happier marriage, or simply a good night's sleep.....this remarkable book shows you how your ambition CAN be realized.

"Generation of Vipers" by Philip Wylie. This book is not for spiritual cowards. The reader will receive an overhauling he will not forget. Here is a challenge every adult owes to himself and his nation to meet. Like this book or hate it, no one who starts it will fail to read it.

"Three Men In A Boat" by Jerome K. Jerome. The chief beauty of this book lies not so much in its literary style or in the extent and usefulness of the information it conveys, as in its simple truthfulness.
