KIWANIS SPONSORING EUROPEAN FLOOD RELIEF COLLECTION

As everyone knows the great floods in the low countries and Britain have caused much hardship and suffering. As a gesture of goodwill many people have expressed a wish to donate towards the relief of this suffering. The Kiwanis Club has arranged to collect any donations in one sum to be presented as a donation from the entire town. (The Kiwanis Club is merely acting as a collection agency.) No canvassing or tag day or any such type of campaign will be run, all contributions are strictly voluntary.

This is a good and needy cause and anyone wishing to donate any amount no matter how small should bring or send their money to the Imperial Bank. Letters should be addressed to the Canadian National European Relief Fund c/o Imperial Bank, Terrace Bay. Receipts will be issued for any contribution over \$1.00, if requested.

The box in the timeclock runway is part of this campaign.

Included in the out-of-town entries for the 10 Pin Bowling Invitation Tourney on Saturday, will be that high-flying "Nescoes" team from Fort William.

A majority of the highest average bowlers from the Lakehead will invade Terrace Bay this Saturday when the Nescoes #1 and #2 teams take on our two top local teams in the Annual Terrace Bay Invational 10-Pin Tourney. The local teams are made up from the highest 10 bowlers in the men's league and the Nescoes are lead by Pete Fuchek with the high average in the Lakehead (186), while the rest of the team are not far behind him.

The tourney started in 1951 and the interest in this year's match is particularly high as it amounts to the saw-off. The

DEPARTMENT OF EDUCATION CONCERT

Another of those dandy Department of Education Musical Concerts is coming your way. Three very talented Canadian Artists will present a programme for your enjoyment. Deltra Eamon, a glamorous graduate of the University of Toronto, where she obtained her Bachelor of Music degree, is the soprano. Clarence Fleigler of the Royal Conservatory of Music of Toronto will be the baritone, while Eleanor Beardall also of the Royal Conservatory of Music will be the piano accompanist, in addition to playing several numbers by herself. This concert has all the earmarks of being something none of us can afford to miss and we should take advantage of the fact that the High School Students will be bringing the tickets to our houses for sale purposes.

Regular prices will prevail with 75¢ per adult and 35¢ per student being a bargain rate for this entertainment. This concert will be the first of this type to be held in our new Auditorium and who ever heard of anyone missing a first in Terrace Bay.

So there you have it folks, the High School Auditorium, Thursday, March 12th at 8:00 p.m.
