LARGEST CIRCULATION IN TERRACE BAY

March 12, 1953.

MUSICAL CONCERT TONIGHT

By the time you read this, every house in town will have been canvassed for the sale of tickets for tonight's Department of Education Concert at the Continuation School Auditorium. All plans are now complete to handle a capacity crowd and if you didn't purchase your tickets from the canvasser, you can still get them at the door. The same bargain prices will prevail -- .75 for Adults and .35 for Children.

The three artists, Deltra Eamon, Eleanor Beardall and Clarence Fleigler, all top-flight Canadian talent, have lined up a very enjoyable programme for your entertainment. As this is the last concert of the current season, you owe it to yourself to be sure and be one of the audience. Show time is set for 8:00 p.m.

CONTINUATION SCHOOL BOWLERS RECEIVE AWARDS

At a recent Student and Parent Dance at the Continuation School, honours were showered on the winners of the inter-form roll-offs which took place last December.

The beautiful trophy donated by last year's Five Pin Bowling Assoc. was presented by Mr. S. Jakobson to the winning team - Grade XI - who won with a total of 5098 pins. The members of this victorious team were Bill Marsh (captain), Mavis McFadyen, Reg LeBlanc, Vince Kenny, Ray Husband and Ray Stachiw.

Next in line came the Grade X's with 4746 pins; next, Grade IX's with 4736 and last but far from least, came Grade XII with a total of 4713 pins. Perhaps it may be said of the grade XII's that what they exceed in mentality they lack in bowling!

Individual trophies were presented to the high average bowlers by Grace Marcotte

LEADERSHIP TRAINING COURSE

In order to take the load off those people who seem to end up with the responsibility of operating the various organized groups in town, a Leadership Training Course has been planned to be held on March 30th, 31st and April 1st. This course will be conducted under the direction of the Community Programmes Branch of the Department of Education and will be open to anyone wishing to acquire Leadership knowledge. This course is not intended solely for those who have not had any leadership experience, as it is also important for those people working with groups to become more proficient in that particular field.

It will be possible to accommodate up to 25 persons (male or female) and applications will be handled on a first come, first served basis. Any persons wishing to enrol, should get their names into Ossie Dalzell or M. O. Nelson as soon as possible. All sessions will be held in the evenings at the Continuation School.

More details will appear in the next two issues of the "News".

ST. PATRICK'S TAG DAY

Folks, watch for Shamrock Taggers on Saturday, March 14th. The boys and girls will be around to call with the cutest little Irish Shamrocks donned with clay pipes and hats. Sorry folks, but we just couldn't get the shillelagh to pass around. Sponsored by the Catholic Women's League.
