

MEN'S FIVE PIN LEAGUE

After a slow start the boys from the Steam pulled the throttle open and really went to town on the Snowbanks to take 3 pts. and put themselves in the lead going into the home stretch of the 4th and final series. The only consolation the Snowbanks had was that they rolled the high single of the week with a nice 1121. Although it wasn't necessary, the Rat Portage boys came up with scores of 1043, 897 & 1019 for hi triple of 2959. P. Diduch with 221, 236, 264 for 721 (hi triple) and P. Malashewski with 213, 214, 242 (669) were the big boys for the Rats. The Hydro put on the power to take 4 points from the Cats to keep in the race for a play-off spot. The Whizbangs, not to be left out of the picture toppled them over to beat the scratch score of the Barber Greenes and stay tied with the Hydro. To C. Buck goes the hi single for the week with a round 300 and to R. Black goes the honour score for the night and the season a nice 45. Other good scores for the night were L. Edmunds 201, E. Charban 221, A. Boutilier 203, E. Niemi 255 (622), W. Louk 224, 213, C. Buck 300, 217 (676), L. Dejonghe 208, T. Stachiw 218, 261 (648), L. Checkryn 236, J. Maurstad 201, M. Chepelsky 213, 206, J. Houlden 248, J. Louk 220.

MIXED FIVE PINS

The Pin Dusters, led by O. Harrison with 217, 234, 183 (634 hi triple) and A. Chisholm with 193, 234, 173 (600) took the Tyros to the tune of 4 points to draw themselves up to a tie with the Spanners for first place. Spanners just to keep their record clean, lost the first game to the Beavers, then got aboard the fast express to take the next two games and come out with 3 points to keep on top. Bombers, with E. Niemi at the throttle and games of 218, 172, 212 (602) took the Inn Mates for 4 points to keep things rolling. Sleepers, who should change their name by the way they have been rolling, came out of Tuesday night's scramble with 3 points, leaving the other one to the Rockets who have slipped badly in this series. D. Dalzell showed that she can still bowl, even after the week end, to take the ladies hi single for the night with a very nice 254. G. Carmichael of the Spanners is

HOME AND SCHOOL ASSOCIATION

A very interesting and varied programme was presented by the Home and School Association in their first meeting to be held in the High School Auditorium, Monday evening, March 16th.

The double trio from the Continuation School, and the Senior Girl's Choir from the Separate and Public Schools sang their festival numbers. Miss McAdam and Miss Honer, accompanist, were presented with flowers and gifts by the girls.

Mr. Ray Kenney, Principal of the Separate School, introduced Mr. W. Bittle, Conservation Officer for the Department of Lands and Forests, who was guest speaker for the evening. Following a discussion on the conservation of wild life for our own enjoyment, Mr. Bittle showed two films, "Expedition Moose" and "Salmon Run".
