

EASTER SEAL CAMPAIGN CLOSES APRIL 5TH  
(con't)

enlarged under the direction of a local committee consisting of members of over 200 service clubs associated with the Society. If the objective of \$475,000 is reached this year during the annual Easter Seal campaign, 900 crippled children will be able to attend these camps and have fun they never dreamed existed.

Easter Seals - 100,000,000 of them - will be distributed across Ontario this year between March 4 and April 4. Funds received from their sale will be used to maintain and expand existing camp services to crippled children and to develop new ones. Too, your contribution will provide skilled persons specially trained to straighten and strengthen crooked little legs; to correct faltering speech and to guide tortured little hands to a useful job or education.

Why not make your contribution today?

CURLING (con't)

Imperial Bank Trophy

1st - Jim MacDonald, Al Lindskoog, Len Crockford and Don Whitley

2nd - Alex Sinkins, Don Anderson, Pete Shrier and Walter Anderson

Consolation - Alex MacDonald, Lou Duquette, Ab Keehn and Dick Jones

Hiram-Walker Trophy:

1st - Jack Wellings, Al Lindskoog, Ed West and Ernie Schock

2nd - Alex Sinkins, Hec McLeod, Frank Sechesky and Len Pineault

Consolation - This has still to be decided (by toss of coin now) between Doug Harris' rink of Ted McInnis, Joe Ruzyski and George Ramsay and Al McColl's rink of Ole Olsen, Pete Schrier and Sid Spencer.

The Men's Club operated the year with a total of 22 rinks, or 22 skips, and of this total 9 Skips placed for 12 prizes. Those duplicating were Jack Wellings and Jim MacDonald with two firsts each and Alex Sinkins with two second place wins.

In all there were 48 prizes winners and these were spread over a potential 36 curlers, depending on which rink is declared the Consolation winner in the Hiram-Walker event, If Al McColl's rink is declared Consolation winner then Pete Schrier will have the distinction of placing on the most winning rinks - a total of three. Des Evans-Smith and Al Lindskoog are the only other curlers garnering more than one prize.

Summarizing, Skips have a 40% chance of winning an event, Thirds have a 50% chance, Seconds - 40% chance and the lowly lead a 55% chance of winning. (Guess I'll go back to a lead next year)

The only other items left is the Annual Banquet and election of officers. Information on this will come in the next issue of the News.
