HACK FREEMAN ROLLS 259 GAME TO LEAD ROYAL-
LETTES TO VICTORY IN MIXED 10-PIN LEAGUE
PLAYOFFS

When the chips were down Capt. Hack Freeman of the Royalettes came thru like a true champion to bang out a 259 game and lead his Royalettes to victory in the mixed 10-pin finals last nite. Hack started his big game with a spare, strike, spare and then drummed out 7 hits in a row before he was tapped with a 10 pin on his eleventh ball. He cleaned that up for the highest game bowled on the alleys this season in or out of league play. His 4 game total 685 gave him honours for the men in all departments with and without handicap. Barb Haughn gave him considerable support as she racked up 769 series with handicap to lead the ladies in this department.

Cap. Olyve Harrison lead her team, the Superiors, to Victory with 175 - 630 high scratch game and series for the women. Pat Douling had high game with handicap for the women - 217. Other 200's with Barb Haughn 208, Olyve 204, Joe Shubaly 210, Leon 208, Ken Weppler 218, Kay Weppler 204.
