

HOEDOWN FESTIVAL SATURDAY (cont.)

Visiting square dancers have been invited from the neighbouring towns and it is believed that one of them is even bringing their own square dance musicians. In addition to this, word has been received from the famous Westfort Kiwanis Folk Dancing group that they will be on hand to show us how to really dance a Polka or a Schottische.

If you don't dance, it will be well worth your half-buck to just come and sit and listen to our own excellent Hoedown orchestra and to watch the demonstrations.

For the time of your life, make a date with us for Saturday night.

At the time of going to press it looks very unlikely that the ball park can be made ready for Sunday's opening game and if this should prove to be the case, Tuesday evening's regularly scheduled game will be considered as being the league's official opening with the proper festivities.
