

ALONG THE BASE PATHS

During the past week, five games were played despite cold and threatening weather. These conditions seemed to be reflected in the ball scores as the results in most cases were onesided and the calibre of play was not up to the standard generally displayed. Once Old Sol broke out from behind the clouds we had much better ball and large and enthusiastic crowds.

In the first game last week Shift #2 with Ed who twirling good ball, trounced Shift #3 to the tune of 21-7. Townsite provided the real upset of the week when they laced into the Salaried team, the following night, to come out on the long end of an 18-6 score. These kids were hitting running and fielding nicely and Hoover Wong was keeping his vaccum ball out of reach of the Salaried hitters for most of the game. On Friday evening, Frank Whitfield stifled the slugless Salaries with only 3 hits and 1 run while his Shift #1 teammates backed him up with a real show of power consisting of 17 hits resulting in 18 runs. Leading the hit parade were Henry Krahn with 2 home runs, a double and 2 singles for 5 at bats. John Cavanaugh enjoyed a perfect evening at the plate with a double, 2 singles and 2 walks. Townsite moved up to 8th slot in the league standings when they downed the winners Structural crew 7-2. Wong held last year's champions to 4 scattered hits. One of the better games of the season was played Monday night when 6 runners crossed the plate for Shift #1 while Maintenance men only managed to reach this spot on 3 occasions. In this game Frank Whitfield showed why he is the leading pitcher in the league by limiting his opponents to 4 hits. At the same time Stan Zwaresh allowed the hard hitting Shift #1 nine only 7 hits on a losing cause.

Sunday evening we were very glad to have the White River softball team pay Terrace Bay a visit to take on our Local All-Stars. This was a close and exciting game viewed by a large crowd with Terrace Bay coming out on top by a 13-9 score. They were assisted by 9 walks issued by the White River hurlers.

We hope in the near future to have more outside teams visiting Terrace Bay

The executive of the Softball Club are very anxious to get all games played on the day for which they are scheduled, if at all possible. It is the right of the home team manager to call off any game because

of unsuitable playing conditions prior to game time. However the executive feels that this prerogative to declare no game should not be exercised until game time. The weather quite often may look very dismal at 4:00 in the afternoon and by 6:15 perfect conditions exist for playing softball. So lets not be too hasty in this matter managers.

Here is another reminder about those entry fees to be paid by June 30th. After this date any team not having met their obligations will be liable to suspension from the league.
