

AROUND THE TOWN

The community gathered en masse last Friday evening, June 19th, to bid farewell to Elsa and Clarence Smith, who as teacher of Grade one pupils and Principal, respectively, have laboured through six years of steady growth in Terrace Bay, commencing with a mere handful of children, until today it is more than the Public School could hold.

The party, under the auspices of the Home and School Association, was held in the High School Auditorium and Gordon Rowlandson acted as Master of Ceremonies for the evening. Modern and Square Dancing was enjoyed by the group with music supplied by Don Anderson and his boys and Len Crockford doing the calling. The Grand March was led by the Smiths following which, Gordon introduced Mr. "Ed" Cavanaugh. Ed thanked them both, on behalf of all the parents and their many many friends, for the magnificent job they had done with our children, a great deal of which had been above and beyond the call of their profession. Ed then presented Elsa and Clarence with a very beautiful silver service. Clarence thanked everyone and was joined by a few words from Elsa Smith.

Further dancing was enjoyed and a luncheon served by Mrs. Marge Lundberg, Convenor, and her group of assistants. Programme convenor was Mrs. Verne Hopper.
