

ALONG THE BASE PATHS

With more than half the ball season gone it looks very much as though Shift #1 and Shift #2 are likely to finish up in the two top playoff positions. A real fight is looming up for the last two playoff spots with four teams in contention. Structural, if they play the ball which they are capable of doing, still cannot be counted out.

Last Thursday Alf Adrian pitched the Shift #3 team to a 5-hit 15-5 victory over the Salary team. Borsum and Gombola each with 2 hits and Rowley with a single were the only Salaried batsmen able to touch the plate offerings of Adrian as he struck out 8 during the course of the game. Meanwhile his teammates slammed out 15 hits including a home run by Chepelsky good for 3 runs and doubles by Simmer and Malashewski

The following evening with the strong right arm of Adrian missing Shift #3 were on the wrong end of a 12-6 score in a game against Maintenance. Stan Zwaresh pitched excellent ball except for the first inning when Shift #3 managed to garner 4 runs off his slants. Tony Delaronde led the hitting assault on Charlie Simmer with a triple and 2 singles while Hugh Hamilton belted a home run good for 3 runs and Ed Pineault hit also for the circuit but with the bases empty.

Monday evening Salary took it on the chin again when Townsite ran roughshod over them 10-1. Hoover Wong pitched a nice game and only a home run by Murdo Campbell prevented a shutout from being recorded on the books. John Jeanneret who was considered too young and innocent to play for the boys in the Administration Office provided a 2 run bingle to personally lead his team to a nice win.

SOFTBALL PRIZE MONEY

At an Executive meeting of the Terrace Bay Softball Club held on Tuesday, June 30th it was agreed that prize money for this year be set at the following amounts:

1st prize	\$200.00
2nd "	\$100.00
3rd "	50.00
4th "	25.00

The league standings at the end of scheduled play has no bearing on the prize money, rather, the results of playoffs will determine which team receives the prizes. First place team plays 2 out of 3 game series with third place team and a similar playoff series will take place between second and fourth place teams. The two semi-finalists will meet in a best 3 out of 5 series to determine the "champs".

Third prize money (\$50.00) will go to the team which is eliminated in the semi-finals by the team that emerges as the champions.
