LARGEST CIRCULATION IN TERRACE BAY

"WHIZBANGS" VS "WASBANGS"

This Sunday evening at 6:15 p.m. that age-old argument "What makes for a better ball team - Experience or Youth"!! will get another chance to settle itself. Youth will parade their All-Star "Whizbangs" against their arch-rivals known as the "Wasbangs". Johnny Cavanaugh will pilot his star-studded troupe, with Alf Adrian on the mound, while Dave McDonald will handle a power packed crew with Frank Whitfield as his ace-in-the-hole. Just a word to the wise - don't be alarmed, or surprised, over the "get-up" of some of the players!! One thing you can be assured of is that a first-class brand of ball will be played. Ed Pineault will act as commentator for the game with up-to-the-minute batting statistics. With a break in the weather it looks like an enjoyable evening for all and your attendance would put the finishing touch to the programme.

PLAYGROUND PROGRAMME NOTES:

"Let's play softball! I want to play jolleyball! My crayoning is done---read us a story!" Yes these and many more are the cries which have been heard on the Playground and in the Auditorium during the last four days. Rain or shine, some two hundred children are gathering together, to work and play and learn.

Not a nursery school, not a "dumping-off" spot for the unmanageables, not a wide-open space for free play, but a well-directed centre for various activities is our aim. Here is an opportunity for the child to learn co-operation, yet develop his or her individuality, to give vent to his physical exuberance but to learn the meaning of carefulness and safety.

Creative abilities, ingenuity, strength, alertness and curiosity demanding satisfaction, are in evidence on the Playground all day. We need volunteer leaders to develop these traits and bring their own experiences and leadership to the children. Remember: "During working hours man makes a living; During hours of leisure he makes a life."

The children from 4 - 7 are on the Playground in the mornings, those from 8 - 13 come in the afternoons. So feel free to come at any time to watch and help. Your assistance is invaluable and desperately needed. Only through your help can we plan and carry out a successful summer programme for the children. We'll be looking forward to seeing you! For copy of daily schedule see the last page. Please contact Miss Carol Crealock-phone 250.
