

MINOR BASEBALL

Last night, before a very few baseball fans, Terrace Bay Indians played host to the Schreiber Braves and went down to defeat by a score of 7 - 3.

This was more or less due to the pitching ability of Schreiber's star left hander Tommy McCuaig who went the limit with 13 strikeouts.

The game itself was an important one for the Terrace Crew as they tried to increase their two game winning streak over Schreiber teams, and also it was their first chance to show their wares before the home town fans, which I must say were very conspicuous by their absence.

To see these little lads play their first year of organized ball was a treat to many an old pair of eyes and also an eye-opener to many a young pair, as their hitting (at times) and fielding had some of the finesse and style of Big Leaguers.

So give yourself and family a treat come out on Saturday evening at 7:00 p.m. and see both Terrace Bay teams in action.

A win for the Terrace Bay Browns will give them the lead in the inter-town League, and a good chance of copping the trophy for Terrace Bay.

Remember, its your sons and our future ball stars who will be playing Saturday evening - so come on out and give them all the support they need. It means a great deal to boys of this age to be cheered on as they hit well or make fine plays, and it tends to make them more sports minded and also have more team and town spirit. See you at the Game, Saturday at 7:00 p.m.

The Softball Association's Annual Stag is scheduled for Wednesday, July 22nd, at the Rec. Hall commencing at 8:00 p.m. Coming as it does just before the end of the season schedule, it will provide a common meeting place for softball strategists and dubbars alike (whether of the active or arm-chair type) to get together and exchange views on the leading question - Who's going to win the Championship?? Some say Salary, some say Structural - even Shift #1 has been mentioned as a good possibility.

Irregardless though, the Executive is making every effort to make this the most outstanding Stag yet. As an added attraction there will be a Door Prize for the lucky ticket holder, namely a pair of Bauer Softball Cleats made of the finest leather procurable and valued at \$12.50.
