## MEN'S EXHIBITION SOFTBALL

Weather permitting a top-flite nine from Port Arthur known as the "Queen's Park C.C.'s will be here for an exhibition ball game on Sunday afternoon at 1:15 p.m. sharp. This team also took part in the Red Rock Tournament held on July 1st and they play a snappy brand of ball. General comment at Red Rock was to the effect that their hurler is as fast as has been seen in a long time. Frank Whitfield has taken over the chores of rounding out an All-Star team among the local ball players and we have no doubt it'll be a good one. Immediately following this game Salary take on Structural in what will be Salary's last scheduled game. Both teams "have to win" so that a tight ball game is in prospect.

And to wind up the day the All-Stars will take on the "Queen's Park" in the second game of their doubleheader which will get underway at 6:15 p.m. All in all fans are in for a real treat on Sunday in the way of fast and peppy softball.
