MONSTER SOFTBALL STAG

Patrons to this particular Stag are in for a grand time. First, we have to report that the date has been changed from July 22nd to Friday, July 24th - same time 8:00 p.m. This should encourage more representation from that segment of the boys who invariably find they stay up a little later than usual when attending a Stag.

Then too, we are pleased to announce that Fred (Safety) Soughton has volunteered his services, and talents, is rounding up a group of entertainers for your enjoyment. Without a doubt this'll be exactly what a Stag should be - Buffet Lunch (prepared by the wives of the Softball players) Refreshments, lively music, songs, harmonizing and the usual roundhouse chatter on Softball "ifs" and predictions. If you're the quiet type and enjoy a friendly game of Bridge or Canasta, there'll be a reserved section and cards for your use.

Don't forget the Door Prize - a pair of genuine Kangaroo leather Softball spikes valued at \$10.00 (not \$12.50). The winner may have the cash equivalent if Cleats are not to his liking. Tickets are now in the hands of all Team Managers and members of the Executive and in this connection ticket sellers have the option of turning in their unsold tickets either at the Stag or to the Stag Chairman before Friday, July 24th. Plan now to attend this gala event if you appreciate a pleasant night cut with the boys.

PLAYGROUND PROGRAMME (cont.)

has been open the children have had hikes, scavenger hunts, races, a Pet Parade, First Aid instruction and many other team and group games as weather permitted.

Rain or shine we gather together. And when it's really hot everyone loves to get out to the pool. However, please keep in mind that there is swimming for everyone every day in the week, but not at any time. Those from 4-7 must not go out to the pool Mon., Wed, or Fri, mornings. The children in the age group 8 - 13 must not go to the pool in the afternoons of the same days. During these periods instruction is being given certain groups and no one else will be allowed to swim. It is in your own interests to observe these rules.

Next week we are planning on holding a Western Week during which we hope to include a trip to Jackfish. So dig out your old sombreros, cowboy guns and Indian papooses!

Our thanks goes out to the volunteers who are working so eagerly and co-operating so well. When you come, or you can send with the children, any games, sheet music, song books, old toys etc. Here's a wonderful chance to clean out your basement! Anything you'd like back at the end of the summer will be kept apart.
