Volume 3, No. 37.

LARGEST CIRCULATION IN TERRACE BAY

September 17, 1953.

SOFTBALL WINDUP

This Saturday evening at the South Camp Recreation Hall, Softball players and their escorts will be welcomed to a FREE CABARET DANCE which will get underway at 9 p.m. sharp. Music will be provided by the ever-popular "Vagabonds". In addition, all players will receive four (4) free tokens at the door entitling them to refreshments.

Because of an unprecedented demand for admittance to the dance by non-players, the Terrace Bay Softball Executive have made arrangements whereby a limited number of fans may attend this Cabaret Dance and tickets will be available at the door at \$1.50 per couple.

Admittance to the dance, for players and fans alike, will be refused after 10 p.m. so make every effort to get there before that time.

A short, snappy, intermission will be held during which time Presentation of Prizes will be made. There will be the Fraser-Brace Trophy for the Championship Team (Shift 1), Leading Batter (Bill Borsum), Leading Pitcher (Frank Whitfield) and Home Run Kings (Johnny Schritt and Henry Krahn-tied). The Most Valuable Player Award is being kept a secret and will be announced at the Dance.

The Executive have spared no effort to make this a most enjoyable dance and with this in view there'll be a Spot Dance (with prize for the lucky couple), a "Paul Jones", "Ladies Tag", and a number of novelty dances. For an evening of pleasant relaxation we heartily recommend all players to be on hand, with a cordial invitation to as many fans as can be accommodated.

SCHOOL DAYS, SCHOOL DAYS!! GOOD OLD GOLDEN RULE DAYS!!! CONTINUATION SCHOOL NEWS

With eagerness, last Monday morning, forty-five happy pupils opened the doors of T.B.C.S. for the 53/54 term. Of these forty-five, fifteen were found to be meek, timid, cowering Freshman while thirteen were flambuoyant know-it-all Second Formers. To counterbalance these rough, rugged Lower School pupils, the seventeen students of Grades XI and XII will need all the polish, charm and intelligence at their command if the Continuation School's reputation for courtesy, scholarship and enthusiasm is to be maintained.

Our immediate concern is the nominating and electing of members for our Student Council so that initiation ceremonies and a social programme may be drawn up.

Although we have lost three of our top athletes we are still looking forward to our Sport programme especially the recovering in the near future of the Track and Field trophy from the Schreiber Continuation School.

Special credit is due to Mr. Petersen, our new caretaker, who had our floors, desks, and equipment shining almost as brightly as the pupils themselves.
