

KIWANIS AN UAL CHILDREN'S HALLOWEEN PARTY

This year the event will take place in the Continuation School Auditorium on Sat. October 31st. The program will be divided into two parts; the first for Public and Separate School children, including the Kindergartens, the second for Teen Age boys and girls. There will be a varied and extensive program. Parents are asked to note here that the hall will only hold so many, and therefore will be asked only to accompany the very young children.

NOTICE TO ALL CREDIT UNION MEMBERS

The Credit Union office will be closed from October 2nd to 19th due to your treasurer manager being on vacation. Anyone wishing to make loans during this period please call at the office before September 25 and fill out the necessary forms as the Credit Committee meets Monday, September 28. Office hours are Monday, Wednesday and Friday evenings from 7 p.m. to 9 p.m. at House #11.

Credit Unions are built on friendship. Their foundations are sympathy and understanding. Their functions are based on feelings of mutual aid, fellowship and brotherhood--on the knowledge that the problems and troubles of our fellow members are essentially and practically our own.

Extraordinary Insurance Curiosity can get cats--and human beings into trouble. But curiosity also is credited with bringing us many of our great gifts--from automobiles to better clothes, conquest of diseases, many tools and techniques of modern living. Your curiosity about the Credit Union's plan for purchasing shares on installment and the operation of Loan Protection and Life Savings insurance may open the way for you to provide increased security for your family. Would \$2000.00 be of any help to your survivors following your death? If we told you that you can create an estate of \$2000.00 simply by signing your name to a promissory note and saving regularly thereafter doesn't your curiosity challenge you to confer with us about it? For the proof there is no catch, no ifs, no buts, no fine print exceptions and no "black magic", consult any of the credit union directors or the treasurer-manager Bill Baillie, and once again office hours are Monday, Wednesday and Friday 7 p.m. to 9 p.m. at House # 11 except from October 2nd to 19th when the office will be closed.
