BASKET BALLERS!

Tonight is your night at the Auditorium. This will be your first get-together of the season and it is going to be up to you fellows who wish to play basketball, to come out and let us know what you have in mind for the season. It can be made to be a short season or a long one, depending on what your plans are for the winter. At any rate be sure to be on deck tonight, bring along a pair of running shoes and we'll shoot a few baskets and then talk about our plans for the season.

Starting time is 7:30 and we should be able to last until about 10 p.m.
