CHAIN LETTER

Recently, a Terrace Bay housewife received the following letter from a friend. The letter is reproduced in full. It said: This chain letter started in Reno in the hopes of bringing relief and happiness to tired housewives.

Unlike most chain letters, this does not cost you any money. Simply send a copy of this letter to five(5) of your housewife friends who are equally tired, then bundle up your husband and send him to the woman whose name appears at the top of the list. When your name comes to the top of the list you will receive 16,178 men and some will be dandies.

Have faith! Don't break the chain! One woman broke the chain and got her old man back.
