Men's 5 Pin League

Again Bill Borsum led Bucks to top honours when he rolled a 790 series. Their 1061, 1019 and 1039 for 3119 gives them the team hi-triple spot and a tie with KCs for the lead in league standing. Bill topped his last week's single when he rolled 335 in the first and though it was a nice score it wasn't good enough to beat Alf Gerow of the K.C. Alf rolled 340 in the third and this along with B. Sernesky's 235 (674) and J. Cavanaugh's 235 (615) gave the K.C.'s 1144 for team hi-single of the season so far.

Alf's 340 by the way makes him top man in the running for individual hi-single ousting P. Diduch who had it up to last week.

Don Martin of Hydro and Bill Sitko, Capt. of Townsite, were in the Doghouse this week. Don got 79 and Bill 73. Guess someone must have been distracting them.

Good scores rolled were:

Joe Adamc 245,201,240 (686); P. Pluta 210; J. Shubaly 226; A. Boutilier 212; D. Boutilier 237; J. Todd 253; C. Buffett 218; H. Scharfe 202,213; L. Dejonghe 228, 243 (619) L. Marsh 211; M. Paget 217; B. Ratchford 258 (634) C. Buck 242.
