SKATE EXCHANGE

On Saturday, December 19th the Terrace Bay Home and School Association is sponsoring
(cont. on next col.)

SKATE EXCHANGE (cont.)

a skate exchange.

If you have a pair of skates that have grown too small for your feet, bring them to the Public School between the hours of nine and twelve. There you can trade them for a larger pair, sell them for cash to someone, or leave them to be sold by the Club representatives who will be on hand to see that justice is done.

If you have your price set before you come, it will speed up your sale. All skates should have the size marked on them, so that no one will get mixed up and purchase the wrong pair.

Come on, boys and girls - let's not store up those runners that could mean so much to some pal in town! After all, a little extra cash at Christmas can come in handy.
