ENGINEERS 1ST SERIES 10 PIN CHAMPS
STARDUSTERS COP RUNNERUP SPOT

The last two weeks of the 1st series in Men's 10 Pin League really showed the 4 point scoring off to good advantage. Going into the final night only 2 teams were out of the running for a playoff berth and 4 teams were in the thick of a knock down drag out fight for 1st money. However, the Relentless "Engineers" were not to be denied. Led by Don "Money Bowler" Boudreau with a \$20.00 glint in his eye they racked up 7 points out of 8 to cop the prize.

But the real pressure finish record fell to the 2nd place winners, the "Stardusters", who from a lowly fifth place spot two weeks before the finish pulled themselves up thru the pack with 8 out of a possible 8 to come within a whisker of winning, while landing the other playoff berth.

The real "Spoilers" were that mean Stead & Lindstrom group who not having a chance for either spot contented themselves by 1st rocking the Overheads for 3 points on the next to last night as Sax Lundberg rolled a new high scratch game record 243 and then knocking off the "Deceiver" for 3 points on the last night. The "Deceivers" incidently really played hard luck. Leading from the start of the season, they were 5 points out in front starting the last half only to end up completely out of the money.
