HOSPITAL:

Residents are requested to keep to a minimum their unnecessary calls to the Hospital especially on weekends when there is no one at the desk and the nurse on duty has to leave her patients to answer the phone. It is a real inconvenience to have people phoning only to ask how some patient is progressing.

Please note any necessary phone calls should be to the Hospital phone 427.

Hospital regulations prohibit children under 12 years of age to be visitors and maternity patients may only be visited by husband and mother.

Your co-operation in the observance of regulations is earnestly solicited.

C. E. Paget
Townsite Supt.
