

PEEWEE HOCKEY NEWS

On Wednesday, January 13, the youngest hockey group in Terrace Bay launched the new season.

Playing before a rather small crowd, the Canadiens and Maple Leafs fought valiantly for thirty minutes. The Maple Leafs came out on top by a score of 6 to 1. Goal getters for the Maple Leafs were Ronnie Schock (4) and Scott Conway (2) Walter (wrong way) Corrigan counted for the losers. Better luck next time, Canadiens.

Despite the extreme cold Saturday morning, the Black Hawks took on the Canadiens in another Peewee hockey thriller. This time it was the Canadiens turn, and they really went to town at the expense of the unfortunate Hawks. Scoring honours for the Canadiens were evenly divided between Douglas Moore and Michael MacDonald, who each scored two goals. Assists went to Walter Corrigan, Billy Little, Michael MacDonald and Doug Moore. The lone Hawk goal was scored by Vincent McGuinness from Norman Vezina.

All Peewee games are played immediately after school. Any parents who are interested in getting a look at the future greats in hockey, should come out and cheer the boys along.

Every Monday, Wednesday and Friday are Peewee hockey nights.

KIWANIS CLUB OF TERRACE BAY

On Tuesday, January 19, 1954, the Kiwanis Club of Terrace Bay observed the 39th Anniversary of Kiwanis International.

Dave Locking, High School Principal reviewed some of the work and projects carried out by the Kiwanis Club of Terrace Bay, a highlight of which perhaps was the help the members gave as an organization to build the Scout Camp at White Sand Lake.

However, Dave Locking, did not dwell on past achievements, but rather he had some suggestions for the betterment of the Club. These suggestions were received from past presidents of the Club and as such were regarded as sound suggestions. Much time was spent in discussing these suggestions, and the members were urged to be prepared to act upon them.

President Paul Boudreau thanked Dave Locking for his remarks and comments on the occasion of the 39th Anniversary of Kiwanis.

Kiwanis International is made up of 3710 clubs which clubs have a membership of 222,000.
