

RECREATION FEES

Arrangements have now been completed whereby those persons wishing to pay their fees in cash may do so at the Library during any regular Library period. This is being done mainly to accomodate those wage-earners who do not work for LongLac Pulp and Paper Co. but any LongLac employees who do not wish to use the payroll deduction method, may also pay cash at the Library. Reminder: These fees have been set at \$12.00 per year per family. This means that if the "head" of the family pays this fee, he and all of his dependents are considered to be members in good standing. Fees are payable in advance in denominations of \$12.00 for one calendar year or \$6.00 semi-annually. All memberships being taken out now will be retroactive to January 1st, of this year.

GYM CLASS CANCELLED

Due to the poor turnouts at the Gymnasium on the last few Thursday nights, it has been decided that there are too many other conflicting activities to allow this one to survive. So, effective immediately, there will be no Thursday night Basketball and Gym classes until further notice.
