Shift #3 vs Service

Well hockey fans Wednesday night saw the beginning of house league hockey for another season. Believe me it really started out with a bang.

The first two teams to tangle this year were the highly rated shift #3 and the combined forces of services and maintenance.

While in the first few minutes of play the puck was juggled back and forth giving both goalies a warmup. Belliveau finally slipped one in past the undefiable Art Parent. The score remained 1-0 for Shift #3 till the end of the period.

After a blast from "Coach Duggan", services and Maintenance came back in the second period full of fire to score two goals first by Lester Legault and the second by Walt Janicki.

The third period started out touch and go. But at the 15 min mark Johnny Mikus drove one past Emil Henry to make the score

Shift #2 Loses to Shift #4

Led by "Slim" Bradley (Player-Coach-Manager) Shift #4 trounced Len Pineault's Shift #2 boys last night at the Schreiber Arena in their first meeting, 8-5. A brand of hockey was witnessed by the stalwart supporters, bearing the bitter cold, that will not be seen again - at least that was the general opinion of the players on both teams. Close checking was featured throughout with as many as four players going after the puck carrier at the same time. A near-riot developed midway in the second stanza when "Clipper" Kulcheski of Shift #2 was forcibly held in the opposing goal-crease at the precise moment a goal was being scored, so that Referee Stan Savoy was forced to disallow the goal. "Meat" Campbell and "Curly" Ross were effective for Shift #2 while Ed "D.P." Brady demonstrated a lot of "Back-hose" for Shift #4. Goal getters were as follows:

Shift No. 4 - "Doc" Campbell - 3)
 "Shack-Up Sernesky" - 2) 8
 "Butch" Bouchard - 2)
 "Crowbar" Winters - 1)
Shift No. 2
 "Curly" Ross - 3)
 "Meat" Campbell - 1) 5
 "Beaker" Rowley - 1)
