LIBRARY NEWS

The House That Nino Built -

Geoveanne Guareschi

With bubbling wit and warm humor the author relates the adventures of his irrepressible family. A thoroughly enjoyable story.

Time and Time Again -

James Hilton

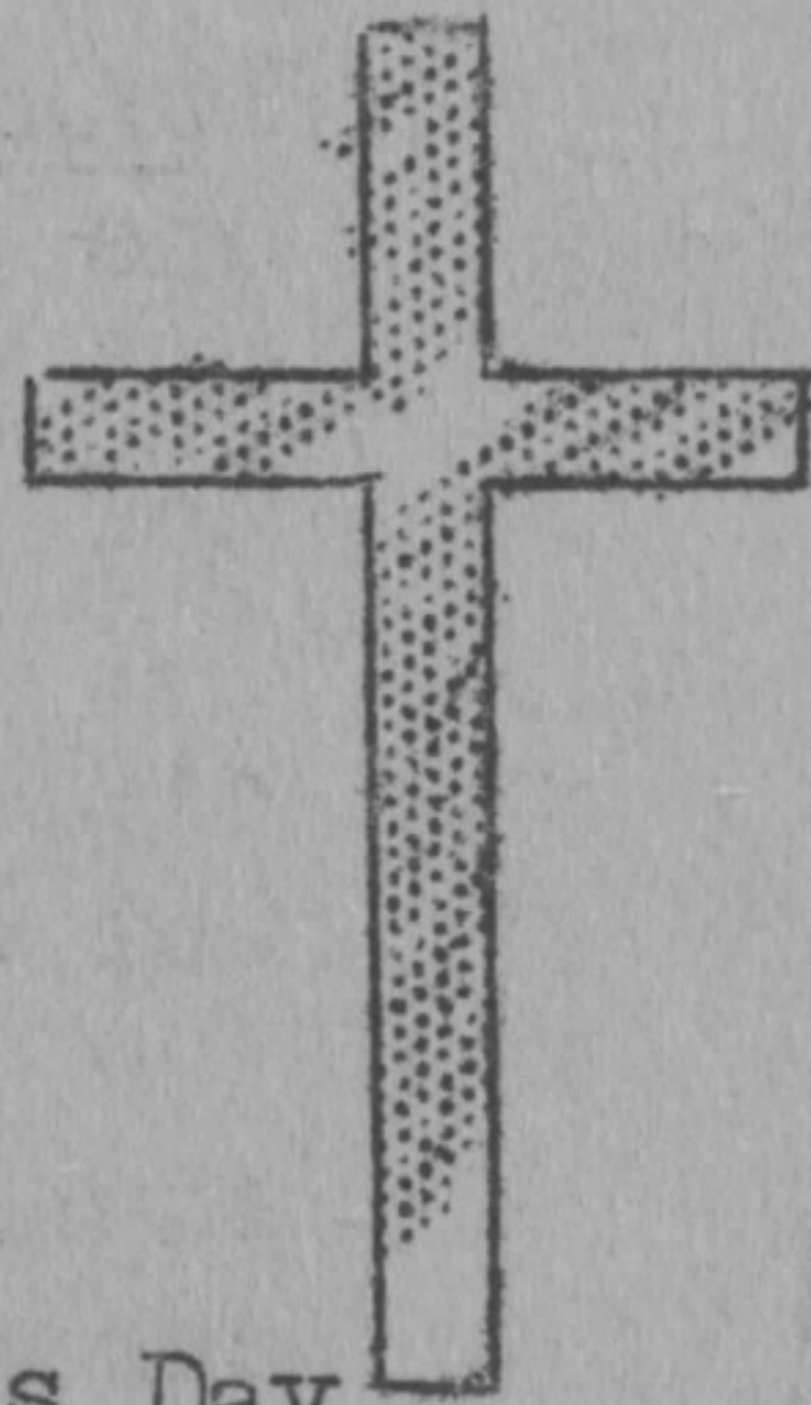

Mr. Hilton is well remembered as the author of Mr. Chips, Lost Horizon etc. His latest novel is a well told tale of the life of an English Ambassador known as "Stuffy Anderson" but whose story proves to be anything but "stuffy". This is recommended as good solid reading and at the same time will hold the reader's interest to the very end.

NORTH CAMP RECREATION ROOM

As a result of a couple of meetings between a Committee from the Dormitories and members of the Recreation Committee, it has been decided to re-open the Recreation Room on a new basis. An extra Ping Pong table has been set up, new Darts and Dart Board and Cribbage boards, etc., have been acquired and one of the Billiard Tables is being completely renovated. Some of the Billiard Cues are being re-conditioned and it is hoped that all will be in readiness for a grand re-opening this coming week-end. If it is not possible to have it ready for the week-end, it is expected that it will be re-opened early next week.

Under the new plan of operation, the responsibility of maintaining good order and keeping wilful damage to a minimum, will rest with the residents of the Dormitories.
