HELP PREVENT TUBERCULOSIS

The North Shore TB and Health Association wish to thank all those who have contributed to the 1953 Christmas Seal Sale Campaign and to all the voluntary workers who have assisted in making it a success.

Our object for 1953 was \$2500.00 and to date we have collected \$2146.49. To those who still wish to contribute it is still not too late as the final report is sent in at the end of February. This money will be spent on Chest x-rays, case findings, local newspapers, dentures, eye glasses, and comforts for the patients in Sanatoria from our District.

CONTINUATION SCHOOL NEWS - SPORTS JAMBOREE

The Continuation School students are particularly proud of the response our parents and townspeople made to our requests for cars for the trip to Marathon. It was good to have such support.

While no great fame was achieved for our school and town, we think you would have been proud of our sportsmanship and of our playing ability. If we didn't win a single solitary event, it wasn't that we didn't play well; the other teams simply played better - and that is a difficult admission to make.

Since our school is the closest to Marathon, our hockey team had to play off with them Thursday night. It was a good game, even if we did lose 10-6. The final

CONTINUATION SCHOOL NEWS (cont.)

outcome of the next day's games was the presentation of the Goldfield trophy to the Schreiber team, who certainly earned it.

Friday morning the various schools drew for opponents and the major events commenced. In the morning curling, two rocks in the last end gave Marathon an 8-6 victory over Terrace while on the adjacent sheet, Geraldton defeated Schreiber 16 - 1. In the afternoon game Geraldton was again victorious - - this time over Nipigon. The final game in the evening was close but once again Geraldton was victorious - this time over Marathon 9 - 6.

In Badminton, Terrace Bay, after reaching the finals in everything except the ladies doubles, ended by being defeated in every event Marathon defeated us for both the men's and ladies' singles while Schreiber captured the men's and mixed doubles. The final standings gave Schreiber first position with three firsts; Marathon, second with two firsts and a second; Terrace Bay, third with four second place teams; and Nipigon and Geraldton last.

Geraldton, Schreiber and Terrace Bay were the first schools to bowl off, commencing in the early part of the afternoon. We eliminated these two schools but still had Marathon and Nipigon to defeat. We managed to end up second, but first place is the one that counts and Nipigon captured that goal.

The dance that evening was fun and we hated to see the end approaching. Already we are looking forward to next year's jamboree which is to be held in Terrace. We won't promise to win all the events next year, but we certainly intend to try, even if we are the hosts.
